Visa Waiver Visitor Visa

If you are from a visa waiver country, you do not have to apply for a visa before you travel to New Zealand provided you're in good health and of good character. You need to show you are a genuine visitor, have enough money for your stay and a travel ticket out of New Zealand to a country you have the right to enter.

Things to note

- From 1 October 2019, if you are from a visa waiver country you must request an NZeTA before you travel. It costs NZD \$9 on our free app, or NZD \$12 if completed online.
- You must also pay an International Visitor Conservation and Tourism Levy (IVL). The IVL costs NZD \$35 and is paid at the same time as the NZeTA.
